Spec Sheet

1000 ft Purple Cat 6 Stranded UTP Patch Cable

StarTech ID: WIRC6PATPLRL

StarTech.com's Category 6 cable is the perfect way to connect your emerging gigabit network. Category 6 cable improves upon the Category 5e specification by providing twice the available bandwidth (up to 500Mhz), and a signal-to-noise margin improvement that is sixteen times (12dB) better than that provided by Cat 5e.

Our Cat 6 cable is constructed by our highly trained staff using top quality components that ensure the final product meets our strict standards for reliability. Backed with a lifetime warranty, these cables help StarTech.com maintain our tradition of offering top-notch parts and products for the best price possible.
